BRACKEN WORK NIGHT

The bats (and the bugs) were out, the weather was gorgeous, and the company was great!

Bracken Grotto work night is a wonderful way to hear fascinating old caving stories, do some good work and see the amazing evening bat flights. May 17 had Bob Cowell, Rick Corbell, Joann Deluna, Carl Ponebshek, Jill Orr and Bexar Grotto new comer Josh Rubinstein. See the Events Schedule for the next work Grotto work night.

Josh, Bob and Karl
