Old Business

- None

New Business

- Meet up group is \$9.99 for 50 members and \$12.99 for unlimited members and posts. It is going up \$2.99 a month. We are at 48 members now.
- Marvin Miller announcement from Gregg Williams- Government Canyon December 6 & 7 and then they will have a party afterwards on the 6th.

Upcoming trips

- Robber Barron - Joe Mitchell. He met two people that had been in there in the 60's. They had seen water in a room and found a boat in the cave. They found a deeper pit in the south and found a path to the east to a windmill. Old photos do confirm the windmill sighting. To the east you go through the graffiti room. There is a photo where there was a pit behind the graffiti room. Joe wants to go in and dig out pit.
- December 13 -Grotto party at Geary and Sue Schindel's house

- December 12 - there is a sinkhole and they are going to try to reroute the trail and cover up the sinkhole.
- December 6 & 7 - Government Canyon
- January 3 - Genesis trip

Trip report

- Chris Lafferty went to California for a couple of months and explored several caves while there. He discussed this during the meeting.
