Journal of Cave and Karst Studies Distribution Changes
During the November 9, 2013, Board of Governors meeting, the BOG voted to change the Journal to electronic distribution for all levels of membership beginning with the April 2014 issue. Upon publication, electronic files (as PDFs) for each issue will be available for immediate viewing and download through the Member Portal on www.caves.org. For those individuals that wish to continue to receive the Journal in a printed format, it will be available by subscription for an additional fee. Online subscription and payment options will be made available through the website in the near future. Until then, you can arrange to receive a print subscription of the Journal by contacting the NSS office at (256) 852-1300.
