During the November 9, 2013, Board of Governors meeting, the BOG voted to change the Journal to electronic distribution for all levels of membership beginning with the April 2014 issue. Upon publication, electronic files (as PDFs) for each issue will be available for immediate viewing and download through the Member Portal at www.caves.org/pub/journal. For those individuals that wish to receive the Journal in a printed format, it is available by subscription for an additional fee. Online subscription and payment options are available on the Journal website.
