

Fall 2009 NRO Directions and Fees

Camp St. Michael in Pittsfield MA

by Steve Millett, CCG

The NRO is at "1074 Cascade St., Pittsfield MA 01201". If you search for this on the internet, you will get a location that is close, but likely not exact. Large and reflective NRO signs will be posted at intersections near the camp. If you get lost or need help with directions please call:

Steve Millett: (203) 640-6703

Mike Telladira: (413) 464-3255

Please note that the camp entrance is about 1000 ft east of the entrance to Pittsfield State Forrest, and if you follow signs for the State Forest you will be very close to the camp. Also note that Cascade Street is a horseshoe shaped road. Camp St. Michael is on the northern section of the road.

The camp opens for us on Friday at 2 pm. Everyone attending will be asked to sign a waiver. Look for a link to the waiver on the Fall 2009 NRO website.

Entering Camp Ground and Parking

We will do our best to have someone positioned to help guiding parking during registration on Friday and Saturday. If no one is present please follow the instructions below:

- 1) The entrance gate will be open for entire weekend: pull into driveway and across small bridge.
- 2) There are 3 areas for parking:
 - a. **Gravel parking area:** Just inside the entrance there are about 10 or so spots for cars.
 - b. **Grass parking to left of main building:** Pull into driveway and follow to left side of building. Glow sticks, and flagging tape will mark off the parking area. This is the recommended area for RVs and Campers. Please do your best to make most efficient use of the space available. **Do not drive or park on the basketball course.**
 - c. **Grass parking to right of main building:** Pull into driveway and follow to right side of building. Glow sticks, and flagging tape will mark off the parking area. Please do not drive beyond the marked off area.

Tent Sites and Setup

Tents may be set up anywhere within the camp property (other than in parking areas). I advise seeking high ground in the likely event that it rains. Cars are not allowed beyond the parking area, so tents and other stuff will have to be carried a few feet to a few hundred feet, depending on where you camp.

The best sites for scenic and shady camping and privacy are on the far side of the pond, and back in the wood near the cave insurgences. The grass field is closest to the meeting and food areas. I recommend walking the entire campground before choosing a spot.

Fees

The cost schedule for this NRO is as follows:

Campground Fees:

Adult Camping (ages 15 and older): \$5 per adult per night (\$10 for entire NRO weekend)

Child Camping (ages 6-14) \$3 per child per night (\$6 for entire NRO weekend)

Adult / Child day pass \$3 per person per day (valid only if not camping overnight)
