

## **2006 Congress of Grottos Report**

Congress of Grottos Report 2006  
to the NSS Board of Governors

The congress was called to order @ 1345 pdt August 9, 2006 by chairman William Jackson, with 28 grottos, 3 regions, and 1 section represented.

No issues were received prior to the meeting, no issues were raised at the meeting

NSS president Bill Tozer reported to the congress on the response of the NSS board of governors to last years motions. The motion to create a new "caving innovation award" was not acted upon. In response to the "cave restoration and conservation fund" motion the NSS chose to restructure existing committees to allow spending for conservation and renovation projects.

"new member packets" were available and grottos encouraged to take these materials to help target grotto members who are not members of the NSS.

Election of officers for 2007

Clifton Colwell was elected chairman  
Victoria Curl was elected vice chairman

Meeting adjourned @ 1401 pdt

Respectfully submitted,

Clifton Colwell  
Chairman, Congress of Grottos
